Patient Informed Consent to Care and Treatment

Acupuncture Consent to Treat

1. I, _____, hereby authorize the licensed acupuncturist at Mama Lounge to administer any style of Chinese Medicine relevant to my diagnosis and treatment, including but not limited to the following:

- Insertion of disposable, stainless steel acupuncture needles of various sizes into my body at different depths and locations.
- Heated moxibustion treatment using the herb Artemisia Vulgaris, or a heat lamp may be placed on or near any part of my body. There is also indirect moxibustion treatment where the herb may rest on the skin. The heat might cause slight discomfort or leave a small scar or blister on the skin. With any type of heat, there is risk of burn.!
- Vigorous massage called "gua sha" or regular massage that may produce redness,

tenderness or slight bruising of the skin,

- Cupping may be used to promote circulation. Suction from the cups may produce red or purple bruising.
- Electrical Stimulation may be used to enhance the treatment at various acupuncture points.

2. I have been informed that acupuncture is very safe, but it may have side effects, including bruising, numbness or tingling near the needling sites that may last a few days, and in rare cases, dizziness or fainting. Although rare, there have been reports of nerve damage and organ puncture connected to acupuncture treatment. Infection is also a possible risk. However, I understand that this office uses only sterile disposable single-use needles, and maintains a clean and safe environment. I understand that while this document describes the major risks of treatment, other side effects and risks may occur.

3. The herbs and nutritional supplements used in Chinese Medicine are considered safe but may have potential side effects. I understand that some herbs may be toxic at large doses, and some herbs may be inappropriate to take during pregnancy. I will notify the licensed acupuncturist at Mama Lounge if I am or become pregnant. I will notify the licensed acupuncturist at Mama Lounge immediately if I notice any unanticipated or unpleasant side effects associated with the consumption of herbal medicine or nutritional supplements. I do not expect the licensed acupuncturist at Mama Lounge to be able to anticipate and explain all possible risks and complications of treatment, and I wish to rely on her to exercise judgment during the course of treatment to make decisions that are in my best interest, based upon the facts then known.

4. I understand the licensed acupuncturist at Mama Lounge has the right to refuse treatment to any patient at any time. Reasons for refusal of treatment include crude behavior or inappropriate conduct
